

Welcome back to Storey Club

In line with the latest Government guidelines, we're pleased to be planning to reopen Storey Club at Paddington Central on 1st October 2020.

Storey Club is a place for British Land and Storey customers and their guests, offering a mix of meeting rooms and collaboration space designed to help you work more productively.

We've been working hard behind the scenes to ensure our teams and spaces are ready for your return.

Whether you want to take advantage of the single workstations in our lounge, reconnect with colleagues and guests in our private meeting rooms, or host larger meetings within our event spaces, our team is on hand to help you.

Just like the rest of Paddington Central campus and our buildings, Storey Club has been adapted to fully comply with the Government's 'COVID-19 Secure' guidelines, with enhanced cleaning regimes and extra measures in place to actively support and promote social distancing.

Initially, we'll be open every Tuesday, Wednesday and Thursday 8am-6pm, but we can extend this to other days on request.

We look forward to welcoming you back soon.

Your health and wellbeing

The health and wellbeing of our colleagues and members is our top priority. Here's a few of the changes we've implemented to help everyone to feel safe and secure in our spaces.

One-way flows at entrances and exits.

Enhanced cleaning regimes and hand sanitising stations.

Reconfigured shared spaces and meeting rooms to allow for social distancing.

The café is operating reduced opening hours and is currently available to pre-booked guests only.

All spaces should be pre-booked in advance where possible.

Single-use recyclable cutlery and sachet products have been introduced.

Bookable spaces

Our team is on hand to help you plan your next visit. Simply email bookings@Storey.co.uk or call **0208 012 7880** to speak to us.

Private meeting rooms

We have six private meeting rooms, each with its own unique identity, which can be pre-booked for half a day, a full day or longer.

As well as providing a safe and socially distanced environment, each room is also fully equipped with wifi, large digital screens and video conferencing so you can host virtual guests too.

Event and workshop spaces

We have a large event hall that can be reconfigured for different needs, and we'll always ensure that the capacity plans comply with the latest Government guidelines on social distancing, allowing you to host larger meetings in a safe environment.

If you have specific requirements, such as a training course, a welcome back presentation or collaborative workshop, please get in touch and we'll work with you to find the best solution.

Single workspaces in the lounge

Our lounge space provides individual workstations and private booths for quiet working.

We've adapted the space to support social distancing, and we're asking everyone to pre-book with us in advance wherever possible.

Members can also sign in at the door, but this will be on a first come, first served basis.

Storey Club café

Our café will be serving drinks and snacks from 8am-6pm. We'll be in touch as soon as we're able to reopen fully.
